BROKE UP THE DANCE.

Sensational Shooting Affray in Kentucky.

FIERCE BATTLE BETWEEN MINERS.

In a Quarrel Over a Young Woman Many Shots Were Fired—Six Men Fatally Wounded—Several Others Hurt.

REVOLVERS WERE PLENTY.

CATLETTSBURG, Ky., March 12.—Reports have been received at this place of a terrible battle at Kilgore, a small mining town on the Newport News & Mississippi Valley road, about 20 miles west of this place, Tuesday night, in which six men are said to have been fatally shot and several others slightly wounded.

A quarrel arose at a hall between two of the dancers over a young woman present. Suddenly a shot was fired and a panic ensued—men, women, and children rushed for the passage to the open air, the door of which became clogged with a mass of humanity, whose only object was to escape from the shower of murderous bullets being fired in the hall. The first man to fall was Sherman Lucas, a miner. As soon as Lucas fell his friends rallied to his rescue and a perfect fusillade was the result. Between ten and twenty men were engaged on both sides, and it is estimated that 150 shots were fired. The firing ceased only when ammunition was exhausted. During the fight the lights were extinguished, which fact no doubt saved many lives. When the smoke of the battle cleared away six men lay on the floor badly wounded. Several others were slightly wounded, not sufficiently, however, to call for medical assistance. The wounded men are Sherman Lucas, Charles Bunting, Samuel Bunting, Andy Howell, Jeff Waugh and David Waugh. The Buntings and Waugh are not expected to survive. No one has been arrested for the shooting, and it will be a hard matter to fix the guilt where it belongs. No women or children were injured.

NO CHOICE AT SACRAMENTO.

The California Senatorial Contest Promises to Be a Prolonged One.

SACRAMENTO, Cal., March 12.—The legislature met in joint session Wednesday afternoon and cast one ballot for United States senator. The contest promises to be a long one owing to the failure of the republicans thus far to go into caucus and decide upon one candidate. From the present outlook the contest promises to narrow down to Estes and De Young. The vote in detail in Wednesday's joint ballot was as follows:

Estes.....29 De Young.....24
Pittman.....19 Blanchard.....10
Johnson.....5 Chapman.....3
Nelson Young.....2 Morrow.....2
Wetmore.....2 Perkins.....1
Goehner.....2 Coleman.....2

FOUR MEN KILLED.

Fatal Explosion in the Blochman Iron Works at Glasgow.

GLASGOW, March 12.—The large tube heating apparatus in the Blochman Iron works exploded, spreading death and destruction all around. Four men were killed outright, their bodies being dreadfully mutilated. Many others were seriously injured. The building in which the heating works were erected was torn to pieces by the explosion.

"Diamond Joe" Reynolds' Estate.

AUBURN, Ill., March 12.—A good share of the estate of the late "Diamond Joe" Reynolds will come to Aurora, as his widow and a niece reside in this city, and four other nieces in this immediate vicinity. As the rich man left no will it is estimated that one-sixth of his vast estate will go to Miss Clara L. Reynolds, of this city, and one-third to his widow. According to the estimate of his wealth the young lady will get about \$500,000.

Killed by a Texas Woman.

CORPUS CHRISTI, Tex., March 12.—Mrs. John Dunn's house was robbed Tuesday night, and, arming herself with a Winchester, she proceeded to follow up a Mexican whom she suspected of the crime. She found him encamped about half a mile from town. When he saw her he attacked her with an ax, whereupon she drew a bead on him and killed him instantly.

Found a Nice Sum in an Old Coat.

ST. PAUL, Minn., March 12.—When Judge H. M. Cooley died last week it was supposed that he died penniless, but on Wednesday his son picked up an old coat he had been in the habit of wearing. Hearing something rattle he ripped open the lining and discovered \$9,700 in certificates of deposit and bank bills of large denominations.

Three Killed by a Boiler Explosion.

EFFINGHAM, Ill., March 12.—A terrific explosion occurred Wednesday at Dietrich, this county, by which three men were killed—William Wefenbach, Henry Beckman and Gebhardt Eilen, mill hands. They were warning themselves in the boiler-rooms when the boiler exploded, mauling them terribly.

Italy Too Poor to Celebrate.

ROME, March 12.—The government has declined to grant the \$100,000 promised by Premier Crispi, on its behalf, for carrying out the preparations for celebrating the discovery of America by Columbus. The ground of the refusal is the alleged necessity of practicing the strictest economy.

Windthorst Very Ill.

BERLIN, March 12.—Dr. Windthorst, the famous leader of the Catholic legislative party, is extremely ill with congestion of the lungs. The sacrament of extreme unction has been administered, and little hope of his recovery is entertained.

SENSATION IN MICHIGAN.

The Charge of Bigamy Against Senator Friedlander Raises Much Excitement.

LANSING, Mich., March 12.—The senate was the scene of turbulence again Wednesday. Friedlander, the senator charged with bigamy, was in his seat, but retired to the lieutenant governor's room before the session, which was very brief, closed. Neither party knew just what move would be made by the other, but when the order of motions and resolutions was reached Senator Crocker (dem.) offered a resolution that the committee on the contested election case of Friedlander vs. Morse be relieved from further consideration of the case. Then the storm broke and for ten minutes the chamber was a howling mob. Excitement was at the highest pitch, and very soon an adjournment was taken and the remainder of the afternoon spent in angry discussion. An officer was on the floor during the session with a warrant for Friedlander upon the charge of bigamy, but for some reason it was not served. The outcome cannot be predicted.

The woman in the case is a half-breed and is 53 years of age. She still shows evidence of once having been strikingly handsome in a semi-savage way. She asserts that her original name was Mary Petoskey, and that she is a daughter of old Petoskey, the tribal chief of the Ottawas, the remnants of which tribe are now residing at Harbor Springs. Her mother, she says, was a French woman. She alleges that on December 12, 1859, she was married to Mr. Friedlander in the quaint little Mission church at Harbor Springs, and that two sons were born to them, one of whom is still living. When the civil war broke out Friedlander enlisted in the First Michigan battery. She avers that after the war he did not return to her, but instead settled near Oscoda, and about fifteen years ago married his present wife. The latter is a most estimable lady and they have a family of three children. Mr. Friedlander does not deny that over thirty years ago he lived with Mary Petoskey, but he states that he fully believed that she was dead when he married Mrs. Friedlander.

SLEPT FOR EIGHT MONTHS.

Alleged Experience of a Veteran of the War of 1812.

GRAND RAPIDS, Mich., March 12.—A special states that Hiram McConkey, of Springfield, Jackson county, has been fast asleep for eight months. Last July he lost the power of speech, was taken sick, went to bed and has not spoken or opened his eyes since. Saturday night blood began to flow from his head and ears and suddenly he came to his senses. He remembers nothing since he went into the sound sleep, but can recall everything previous to that time. During eight months the functions of the body remained quiescent. McConkey is a married man and has of late been granted a pension for service in the war of 1812.

Wisconsin Legislature.

MADISON, Wis., March 12.—The assembly session was taken up with the civil rights bill. An amendment restricting the provisions of the bill to land and water traffic accommodations proposed by the democrats of the judiciary committee was agreed to and the amended bill passed by a strict party vote. The original bill made it a criminal offense to refuse the privileges of any public place to a black man. The amended bill applies only to inns and conveyances by land or water.

Wisconsin Veterans.

OSHKOSH, Wis., March 12.—The twenty-fifth annual encampment of the department of Wisconsin Grand Army of the Republic opened in this city Wednesday. There are over 300 delegates in attendance, besides a large number of visitors. Reports of various officers were read. The order in Wisconsin is in a prosperous condition. There are 265 posts with an aggregate membership of 15,000.

Iowa Temperance Alliance.

DES MOINES, Ia., March 12.—The fifteenth annual meeting of the Iowa State Temperance Alliance is in session here, with 150 delegates in attendance. The old officers were re-elected and plans adopted for a more rigorous enforcement of the prohibition law in the future. The alliance will take a prominent part in the coming legislative elections, but will oppose any third party movement.

Wisconsin Knights of Pythias.

MILWAUKEE, March 12.—At the meeting of the Pythian grand lodge Wednesday afternoon H. J. West, of Oshkosh, was elected grand chancellor. C. T. The session closes today.

BRAZIL PORTS OPENED

The Validity of the Treaty Recognized.

HER PRESIDENT ISSUES A DECREE.

The New Republic Admits Free of Duty Imports from the United States Included in the Reciprocity Agreement.

BRAZIL RECIPROCATES.

WASHINGTON, March 12.—The publication in the newspapers of Rio de Janeiro of the decree of the president of Brazil, declaring the ports of the republic free and open to the imports from the United States, was included in the reciprocity agreement between Mr. Blaine and Mr. Monrovia, the Brazilian minister, will set at rest the rumors that have been current and the assertions that have come from various sources that the Brazilian government did not recognize the validity of the treaty.

FLOODS ON THE MISSISSIPPI.

Railroads Washed Out and Other Property Seriously Damaged.

VICKSBURG, Miss., March 12.—Much damage has occurred from recent freshets. The Illinois Central has been sending trains over the Queen & Crescent route between New Orleans and Memphis, but a washout on the latter route about 13 miles from Vicksburg has cut off communication that way and obliged trains to return and proceed to New Orleans over the Mississippi Valley railroad. The latter's large levee, Big Black, is seriously threatened, as that stream is now rising an inch an hour and is over 2 miles long. The situation along the Mississippi and Louisiana levees is such that hard fighting will be required for the next few weeks to maintain them.

BIG FIRE AT PITTSBURGH.

Germania Bank Building Burned and the Loss Exceeds \$300,000.

PITTSBURGH, Pa., March 12.—The Germania bank building on the southwest corner of Diamond and Wood streets, and the Weldin building on the northeast corner of the same streets, were burned at midnight. The Germania building is occupied by the chamber of commerce, R. G. Dunn & Co., Raa Bros. & Co., bankers and brokers; the Mutual Union Telegraph Company, and several other offices. The loss on the Germania building will be \$100,000, insured. J. H. Weldin & Co.'s stationery loss on goods will reach \$120,000. The total loss from the fire will reach at least \$300,000.

TIED OF LIFE.

A Minnesota Woman Hangs Her Babe and Herself.

FARGO FALLS, Minn., March 12.—Mrs. O. C. Hanson, of Pelican Rapids, hanged herself and her year-old baby Tuesday afternoon. She fastened a stout string on the edge of the door just above the hinge, on which she hanged the baby. She then drew a nail in the top of the door casing and attached a stout string to it, with which she hanged herself. When found, both bodies were hanging and life extinct, the woman's feet touching the floor.

Snowbound in Colorado.

IVANHOE, Col., March 12.—Passengers have been snowbound on the east-bound Midland train 30 miles west of Leadville since early Monday morning, and the snow has fallen continuously since. They have plenty of coal and provisions, but no immediate prospects of rescue. The trainmaster and roadmaster are doing all in their power to open the road. The storm still rages and the prospects are not encouraging to the company.

Died of His Wounds.

MEMPHIS, Tenn., March 12.—David Posen, the lawyer who was shot Tuesday by Col. H. Clay King, died at 6:10 Wednesday evening. The only chance of saving his life was taken at a late hour Tuesday night and failed. Col. King in his cell at the jail received the news of his victim's death in the same cold manner that has characterized his bearing since the tragedy occurred.

Three Hundred Beheaded.

SAY FRAVANCE, March 12.—The steamship City of Peking arrived Wednesday afternoon, twenty-five days from Hongkong and sixteen days from Yokohama. Three hundred Chinese prisoners and robbers were beheaded in Kwantung province during the last few days of the old Chinese year.

Blaine Will Consent to Arbitration.

Lost His Money and Killed Himself.

STOUT CITY, Ia., March 12.—F. A. Gale, a prominent banker and politician of Canton, shot himself in the Merchants' hotel here Wednesday afternoon. He left a letter saying he had lost all his money on the Chicago board of trade.

SEVEN WARDS OR FIFTY

Last Night's Meeting Easily Satisfied.

AND HOW "NON-PARTISAN"

Reapportionment Came From Mr. Winans, Says T. C. Croft—General Doe Says "Only Republicans and One Man on the Fence Oppose It."

"If at first you don't get the kind of nonpartisan meeting you want, try, try again," is General Doe's new political maxim.

he citizens' meeting held in the council-chamber last week didn't seem to suit him. Consequently he had a citizens' meeting of his own at democratic headquarters last night.

This one treated him better than did the one last week. It listened when he spoke. It cheered whenever cheers seemed to be expected. It "resolved" in favor of everything within reach from a deputy district attorney to General Palmer. The Palmer resolution in fact, was passed twice at the suggestion of Aldermen Horn, "just to make sure of it."

Non-partisan?

Most assuredly. Adjutant-General Doe said it was backed up by making a vigorous campaign speech. "Put it in the papers that Adjutant-General Doe made a democratic speech!" he vociferated, turning to the reporter's table. "I'm making a democratic speech and I'm proud of it."

The city attorney was listened to by an audience of two hundred and fifty, there being none present to take issue with him.

Waiting until nearly eight o'clock for the anticipated gathering of those claimed to be clamoring for the adoption of the proposed amendments, the meeting was called to order by Richard Valentino. Thomas T. Croft was elected chairman and Edward Broderick was named as secretary.

City Attorney Doe was called out for the purpose of explaining the amendments. His remarks were the same substantially as made at the council chamber meeting last week.

"No democrats have objected to the change," he insisted. "The only opposition has come from republicans and from one man who is astride of the fence."

His point in favor of the movement was that Janesville, by increase of population and wealth, had a right to demand increased representation in the county board. He insisted that the work of sub-dividing the city was first suggested by Mr. Winans. Chairman Croft made the same statement.

After sketching the necessity for the second meeting Mr. Croft said:

"The question of adding two additional wards to the city was first suggested to me by Hon. John Winans, while I was in Madison in the interest of the battery bill and requested that I should see some of the leading men when I returned home and make the proposed plan. I did not take hold of the matter at first, and when Mr. Winans returned home I met him. He asked me if I had done anything towards redistricting the city, and when I told him I had not, he took me to task for neglecting so important a question. The plan at present proposed is not the one originally presented."

Richard Valentino offered the following:

WHEREAS, We have implicit confidence in the integrity and ability of the Hon. John Winans, member of assembly from this district:

Resolved, That we endorse the reapportionment of the city of Janesville, and that the Hon. John Winans be and is hereby requested to urge the adoption of the amendments to the city charter as published in the papers of this city, with such incidental amendments thereto as he may deem necessary.

A moment of silence, and then Chairman Croft called for a vote on the resolution. There was a trace of disappointment on his face when not to exceed one-third responded—the remainder being silent spectators, taking no part in the movement.

A movement to adjourn had been made by the chairman desired to show his ability to impartially preside over a non-partisan body, by saying:

"Gentlemen, before we adjourn, I propose three cheers for the one hundred and one men who stood by General Palmer in his struggle for the United States senate in Illinois. Let us now give three standing cheers. All get up. Hip-hip, hurrah."

The cheers lacked enthusiasm, and General Doe was again called out. After hearing his speech the audience dispersed.

LOST ALL WHILE ILL.

A. G. Daly's House Burned While He Lay in the Hospital.

Albert G. Daly, owner of the house burned Tuesday evening, lies in St. Luke's Hospital, Chicago, suffering from injuries caused by being knocked from a railroad train. His house in Janesville, for which he paid his last dollar, is in ashes, burned as many think by an incendiary. There was not a dollar's worth of insurance on the house.

Daly is a brakeman on the Chicago & Northwestern road, and was badly hurt at Kenosha. He was hanging on the side of a car and was struck by a telegraph pole and knocked off the train. He had saved his money to buy a home, and but a few days ago put the entire sum into the house at number 8 Liberty street—a one-story, frame building.

The fire was undoubtedly of incendiary origin. The house being occupied at the time strengthens the supposition. A bottle containing a small amount of kerosene was found beneath the ruins. Daly can ill afford the loss, especially at this time when he is laid up in the hospital. Who there is with a grudge against Mr. Daly is unknown, but Marshal Acheson is following up on a clue which is thought may throw light upon the subject.

GIBSON LIKELY TO WIN.

One More Contest for the Barnard Rifle-Medal.

But four men contested for the Barnard medal at the Army last evening. They were Sergeant Gibson, Sergeant Rooney, Corporal Palmer and Private George King. The scores at 200 yards were:

- | | |
|-----------------|----------|
| Sergeant Gibson | 324-4-17 |
| Private King | 324-4-17 |
| Sergeant Rooney | 324-4-17 |
| Corporal Palmer | 324-4-17 |

At five hundred yards they made the following:

- | | |
|-----------------|----------|
| Sergeant Gibson | 354-5-21 |
| Sergeant Rooney | 354-5-21 |
| Private King | 354-5-21 |
| Sergeant Rooney | 354-5-21 |
| Corporal Palmer | 354-5-21 |

One more shot will finish the competition. Sergeant Hanson has finished his shooting, and is now thirteen points ahead of Sergeant Gibson. Gibson has one more score to shoot and his chance to beat thirteen, and win the medal is excellent.

DR. ST. JOHN FOR MAYOR.

Union Call Signed by Many Citizens.

MYERS HOUSE CHANGES.

The Myers Estate Once More in Charge, but C. N. Briscoe to Continue as Landlord—Trains on the Northwestern Road Lighted by Gas.

A petition was put on the street this morning calling upon Dr. St. John to stand as a candidate for reelection on a citizens' ticket.

The call is based upon the doctor's stand for the enforcement of law, and has received many signatures. At 3 o'clock this afternoon there were 200 names enrolled—democrats and republicans in about equal numbers.

Change at the Myers.

The Myers House has again undergone a change. In the future the Myers estate will be the proprietor, and O. N. Briscoe the manager. The change was made this afternoon.

The story was current on the street that Mr. Briscoe would leave Janesville. This is not so. Although the Myers estate will be the proprietors of the house, Mr. Briscoe will remain as business manager and will have entire control of the house.

Train Lighted by Gas.

The Chicago & Northwestern train due at 9:45 last evening came in with a blaze of glory. The entire train was lighted with gas. There were eight lights in each car besides a large shaded light on each platform. The gas was carried in storage tanks under the cars. These tanks are changed at certain stations, and hold gas enough to burn several hours.

"German Spoken Here."

Miss Maud Nowlan entertained the German class of the Janesville High school last evening. No word was spoken except in the German tongue, and at a suitable hour a German larch was served. Professor John Nagler led the talk and the first person to use a word of English was subject to a black mark.

Sleigh Ride for Blind Children.

ANGLEWORM CHIEFS SHOOT.

Their Scores Do Not Materially Affect the Barnard Medal.

Three chiefs of the Anglemore Club went down in glorious defeat last evening. They happened up in the Army while the boys were shooting for the Barnard medal. They were mighty warriors—skilled in the use of firearms.

"Ugh! Me heap shoot!" explained Man-Who-was-Tipped-Over-in-Sugar-River, "Me try on bullethead!"

But he didn't. He shot once, missed the target, and quit.

"Goo heep poor; gottum crook in barrel! Heep poor!" he explained as he puffed on his pipe.

Then "Man-Who-Never-Misses-a-Shot" put in his shot. He explained that he could "punchum bell out, makum five every time." His score resembled a hen's nest—with four eggs in it—when he got through.

Then "The Man-Who-Pounds-Gold-in-Molasses" wanted to try his hand.

"I think that I can piny the hole and fill the cavity," he said. "Lead filling is not as good as gold, but sirrah! I have it! I killed 100 deer!"

Then the other chiefs scoffed at him. They said he could not hit the end of the armory. But he did. His score was 18 out of a possible twenty-five at five hundred yards. The chief-fate did not wait to see the cigar dealer make five out of twenty-five but lifted the eagle-eyed chief, who had redeemed their lost reputation as a club, and carried him on his shoulders. When they brought him into the club room singing "See The Conquering Hero Comes," there was not a dry eye in the room and the members dropped their pipes, crumpled boards and other means of enjoyment and patted their victor upon the back, called him colonel and otherwise feted him until his head was swelled well nigh unto bursting.

JANESVILLE'S NEW PAPER.

T. F. Lyons is Editor and He Seeks Bare-Knuckle Fights.

Janesville's latest publication made its bow to the public to-day. It is "The Radical" and T. F. Lyons is editor. Mr. Lyons signs himself "ex-Romantic." He has achieved some notoriety by lectures on Catholicism and evidently means to continue the campaign through the columns of his new paper as he says:

"My intention is to live up to our name. If we are anything we are Radical. We have a conscience which tells us what is right and what is wrong, and when, with the aid of that monitor, we decide a thing to be wrong, we speak out boldly against it and are willing to abide by the consequences, and as this has been the policy of our entire past life, so now will it be the policy of the Radical. As we watch the course of events in our country, we shall applaud that which we believe to be right, and condemn that which we believe to be wrong. We will also say, that in our battle with wrong, and especially with that which we believe to be inimical to the best interests of our country, we do not intend to fight for 'points' in a forty-four foot ring with pillows or soft gloves, but to fight to a 'knock-out' with bare knuckles in a six foot ring. We ask no quarter and we intend to give none."

HONORS TO A DEAD MEMBER.

Little Business Done in the Legislature To Day.

MADISON, March 12.—(Special.)—Business in the Wisconsin legislature was completely suspended today in tribute to the memory of Assemblyman Edwards. No business was done except the introduction of a joint resolution for the appointment of a joint committee to accompany the remains of the dead assemblyman to Port Edwards. Both houses then adjourned in respect to his memory.

The committee was composed of Assemblymen J. A. Taylor, John Winans and D. J. Dill, and Senators R. J. McBride and Hugh H. Price and the sergeant of arms in the assembly.

The entire legislature met at the Park Hotel at 11 o'clock, and escorted the remains to the train. Mr. Edwards' desk and chair were beautifully draped with black and white crepe, and white flowers.

WANT THE COURT MOVED.

Attorneys Seeking a Change in Municipal Court Quarters.

A movement is on foot among Janesville attorneys looking toward a change in the quarters of the municipal court. It is claimed that the room in the court house is in a condition dangerous to the health of the occupants. Attorneys say that after they have attended court in the old room for a few days, they are always more or less unfit for work. They are loud in the complaints about the atmosphere in the old court room. The floor is laid but a few inches from the ground, and there is next to no ventilation whatever.

Not only is it urged that the court is unhealthy, but that it is small and poorly adapted for the purpose of a court room. The arch between the two rooms are so placed that a person in the courtroom can not see the jury or a prisoner on trial. Then again it is in very poor repair. Large sections of plaster from the ceiling come down with a crash at frequent intervals, and the difficulty seems to be without a remedy.

The attorneys strongly favor the leasing of the large room in the new Carpenter block. This room they claim is perfectly arranged for a court room. It is large and has plenty of room for judge, jury and clerk, as well as the attorneys, without crowding them into a small space, as is necessary at the present court room. Then the room is large enough to accommodate any crowd that desire to be present at court during a trial.

Clarke, William Selery, Martin O'Neil, Helen Marlborough, Eva Saunders, Irene Hernandez, Beatrice Tiffany, Lily Sinclair.
